CALOOSAHATCHEE COMMUNITY FORUMS

The South Florida Water Management District is working with the local community to prioritize and move projects forward that will benefit the Caloosahatchee River and Estuary. We are inviting agencies, non-governmental organizations, academic institutions, local governments and other interested stakeholders to share and collaborate on science, projects and priorities to implement the Caloosahatchee River Watershed Protection Plan.

Friday, August 8, 2014
1 p.m.
Riverside Community Center
3061 East Riverside Drive
Fort Myers, FL 33916
