

Consolidated Everglades Annual Report Revised Schedule (June 28, 1999 draft)

Date	Activity	Products Due	Comments
May 1, 1999 To July 13, 1999	Authors prepare chapters with appropriate content	Rough drafts should be reviewed as appropriate within Divisions/Depts.	Content reflects requirements and needs, and data through April 30, 1999 - WY99
July 13, 1999 To August 5, 1999	Draft document reviewed internally by District and FDEP (to the extent feasible)	Project Managers will solicit reviews for each chapter and will distribute agency-wide in both agencies	The internal review process begins in both FDEP and SFWMD. All chapters are in draft format with figures inserted manually.
August 5, 1999 To August 26, 1999	Authors revise drafts for data available 4/30 and respond to internal review by both agencies.	Revised chapters to editor and document assembly team by August 26.	Very short time is available for additions for data available April 30, and revisions from agency review.
September 7, 1998: Public draft of Report	Copies for public and review panel. Report will be placed on WWW site.	Report out for panel review and first public review. Gov. Board, JLCEO and ETAC get copies.	Formal peer review process with public workshop. Note the dates of the workshop.
Sept. 30, 1999: Panel review and public workshop Panel executive session follows on October 1.	Public workshop and scientific review panel. B-1 Auditorium. Panel work day follows workshop.	Authors and editor should be available to present chapters 9/30. Authors should also be available to answer questions on October 1, 1999.	Panel comments to authors by October 20 , preliminary comments will be given following public workshop on October 1, 1999.
October 1 to Thursday October 29, 1998	Authors revise chapters into final draft form	Drafts and figures delivered to editor and document assembly team	Final editing and proof reading.
October 14, 1999; Gov. Bd. Workshop	Editor & authors provide update on review process.	Brief and receive Board comments on Report.	Only two weeks to revise chapters into final form.
November 1 to December 6, 1999.	Editorial and Production Team prepare final report	Framemaker used for final document	All text, figures and tables must be provided in appropriate format
November 12, Gov. Board	Authors prepared to discuss responses to comments	Any minor changes made to document by November 20	Report accepted by Governing Board
December 6 - 22, 1999	Report given to print shop	Consolidated Report copies prepared.	Color inserts must only be used if absolutely essential
January 1, 1999	Consolidated Report delivered to Governor and Legislature	Hard copies will be made available. Report will be placed on WWW site.	Delivery required by Act on this date. Report announced by District

Outline of the 2000 Everglades Consolidated Report

Findings and Implications

Authors: Editorial Team in close cooperation with chapter authors

Executive Summary

Authors: Chapter Authors, edited by Garth Redfield and others

1. **Introduction**
Primary Author: Garth Redfield
2. **Hydrologic Needs: The Effects of Altered Hydrology on the Everglades**
Primary Author: Fred Sklar
3. **Ecological Needs of the Everglades**
Primary Author: Paul McCormick
4. **Water Quality Criteria – Status of Compliance**
Primary Author: Tim Bechtel
5. **Effectiveness of Best Management Practices**
Primary Author: Benita Whalen
6. **Effectiveness and Optimization of STAs for Phosphorus Removal**
Primary Author: Mike Chimney
7. **The Everglades Mercury Problem**
Primary Author: Larry Fink
8. **Supplemental Technologies for Treating Stormwater Discharges into the EPA**
Primary Authors: Susan Gray and Gregory Coffelt
9. **Lower East Coast Regional Water Supply Plan**
Primary Author: Murray Miller
10. **The C&SF Restudy**
Primary Author: Agnes McLean
11. **Everglades Stormwater Program**
Primary Authors: Ron Bearzotti and Sharon Trost
12. **Land Acquisition Report**
Primary Author: Barry Present
13. **Revenue Report**
Primary Authors: Gloria Trope and Joe Moore
14. **Exotic Species Control**
Primary Authors: Steve Davis and Amy Ferriter
15. **Long-Term Compliance Strategy**
Primary Authors: Gary Goforth, Sharon Trost and Susan Gray
