

# Proposed Revisions to the Long-Term Plan for Achieving Everglades Water Quality Goals

**October 2005**

***South Florida Water Management District***

**[sfwmd.gov](http://sfwmd.gov)**

# Location Map

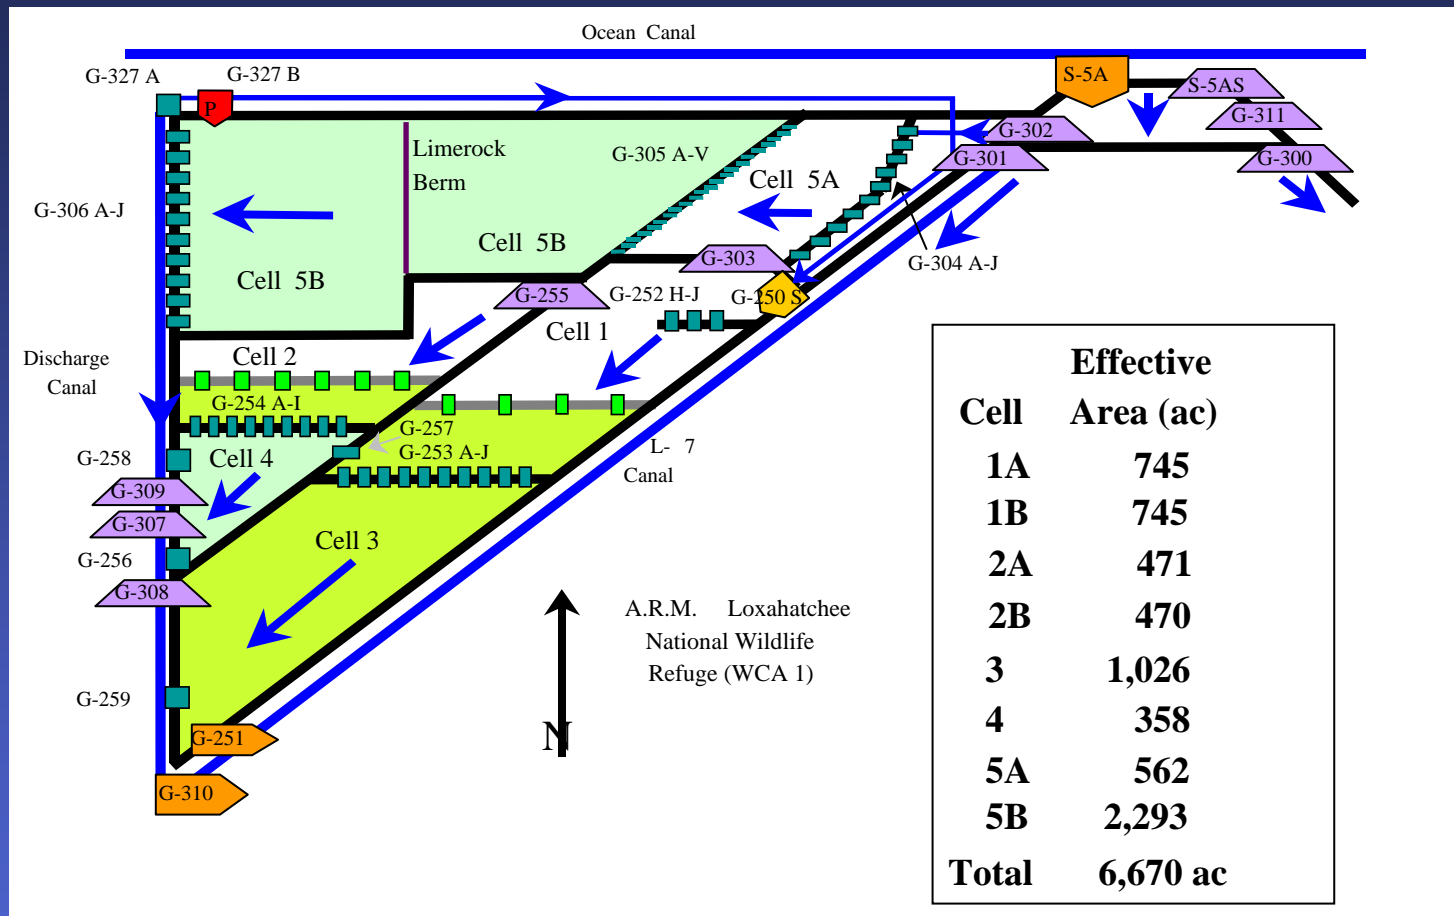

# Background

- Major Revisions to Long-Term Plan were approved by GB in October 2004 and by FDEP in December 2004
  - Additional 18,000 acres of STAs on Compartments B & C
- Revisions to Long-Term Plan must follow public process
  - Quarterly public communication meetings and GB presentations

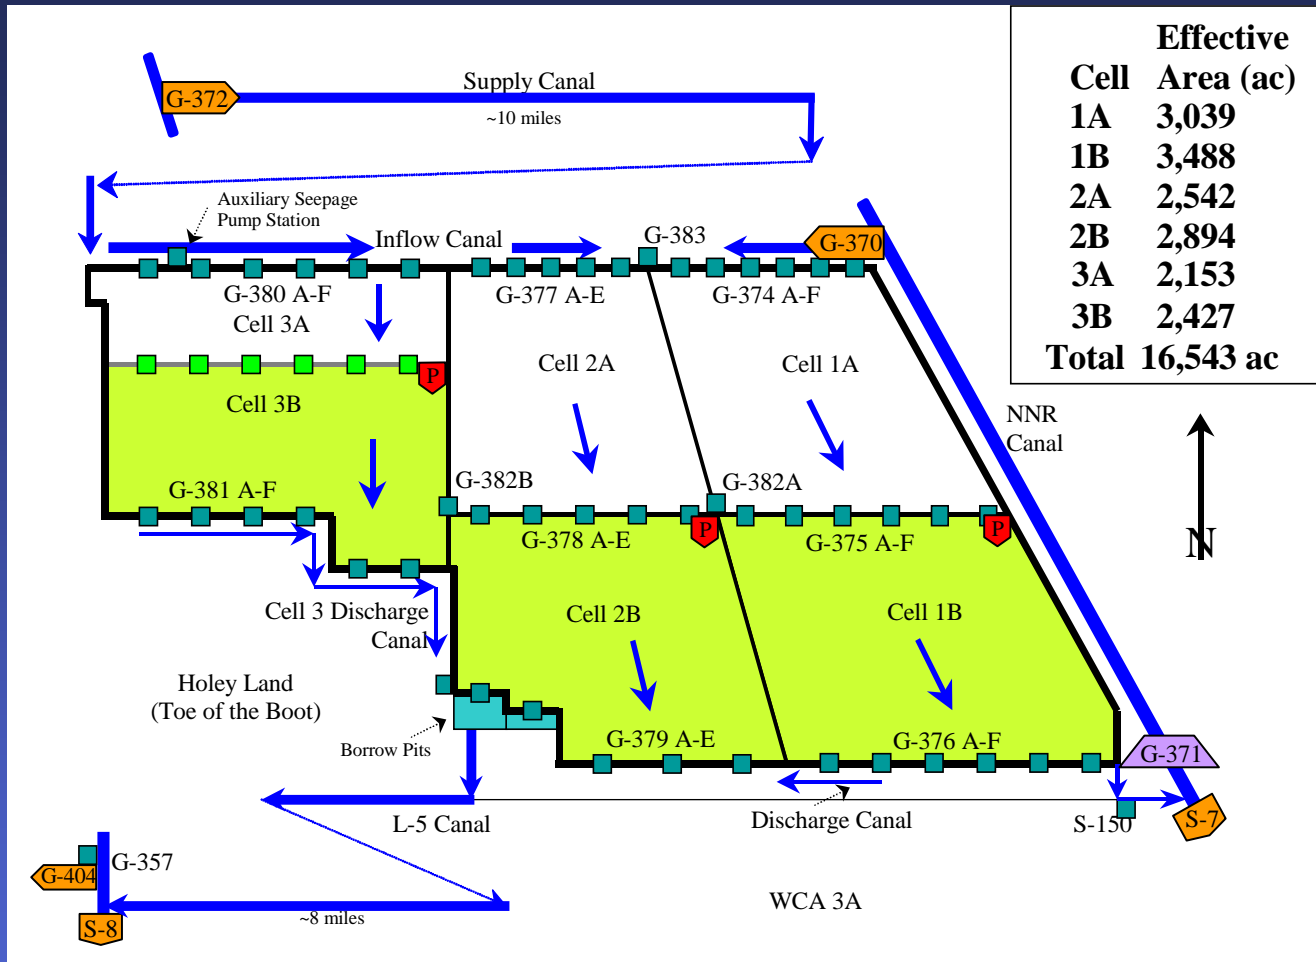

# Proposed Revisions to STA-1W Enhancements

- Post-pone enhancements in Cells 1 & 3 by one year to allow vegetation grow-in in Cells 2, 4 and 5.
- Implement vegetation management activities to expedite Cells 2, 4, and 5 vegetation grow-in.

# Proposed Revisions to STA-3/4 Enhancements

- Modify plans to perform vegetation conversion in Cell 1B in the wet and with less disturbance to maintain excellent P removal performance that is being obtained.

# Proposed Revisions (cont.)

- STA-2, STA-5 and STA-6 recreational facilities completion in 2009
  - To coincide with STA build-out projects in Compartments B & C
- Automation of STA-1W G-304 structures completion in FY06 versus FY05
