*Chip Merriam, Deputy Executive Director  
Water Resources*

# **Continued from October 11, 2007 Public Hearing**

**Public hearing on October 11, 2007 continued due to allow economist to prepare Statement of Estimated Regulatory Cost based upon lower cost regulatory proposals received by South Florida Water Management District and St. Johns River Water Management District.**

# Proposal for Lower Cost Regulatory Alternative

- Received proposal from Latt Maxcy on September 25, 2007
- Submission of lower cost regulatory alternative requires agencies to prepare a statement of estimated regulatory costs, & either adopt the alternative or state why rejecting the alternative in favor of the proposed rule. (Section 120.541, Fla. Stat.)

# Summary of Proposed Lower Cost Regulatory Alternative

- Amend southern CFCA boundary:
  - Move up to State Road 60, (above Latt Maxcy property) not Osceola Co. line, or
- Exempt groundwater withdrawals associated with a surface reservoir
- SJRWMD received similar lower cost alternative (Deseret Ranch)
- Consultant preparing SERC (sharing costs)

# Continue Public Hearing

Continue public hearing to allow economist to submit Statement of Estimated Regulatory Costs in response to proposals for lower cost regulatory alternatives.
