Project System Request for Waiver of Competition

Paul E. Dumars, Sr.
Chief Financial Officer

Reasons for the Waiver

- An increase of a more comprehensive scope of the PS module project.
- In order to meet the new “Go Live” dates based on the design and phases remaining for the test and deployment.

Reasons for the Waiver (cont.)

- Keeping the existing consultants will save time since they have a detailed knowledge of the current SAP system configuration, a thorough understanding of the District specific requirements, and an in depth understanding of the existing SAP environment.

DISTRICT SAP REMAINING WORK

- The remaining work (including support, upgrades and new projects) on the other modules will be competitively solicited in the next few months or may be combined with the use of the State of Florida contract and the Federal GSA Price Schedules.

RECOMMENDATION

- Authorize entering into a 12 month Purchase Order with Meridian Partners, LLC for the implementation and completion of the Project Systems module to our existing SAP Systems and authorize a Waiver of Competition as an exception to the general standards of competition, in the amount of \$2,300,800 of which \$1,927,800 of ad valorem funds are budgeted in the current fiscal year; and the remainder is subject to Governing Board approval of the FY09 budget; providing an effective date.
