Dear Mr. Marks:

The purpose of this letter is to inform the South Florida Water Management District (SFWMD) of the actual Federal funds available for the South Florida Ecosystem Restoration Program Operation, Maintenance, Repair, Replacement & Rehabilitation (OMRR&R) activities in fiscal year 2018. The Jacksonville District, U.S. Army Corps of Engineers has been budgeted \$0 for the Federal cost share portion of the OMRR&R for the Modified Water Deliveries Project fiscal year 2018.

Fiscal year 2017 carry over funds have been exhausted therefore the Corps will no longer be able to pay the federal share of OMRR&R costs to SFWMD for the remainder of fiscal year 2018.

If you have any questions regarding the information in this letter, please contact Ms. Karen Smith, Chief, Program Management Branch, at 904-232-1016 or email at Karen.A.Smith@usace.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry T. Murphy".
