1. Opening Remarks – Tony Waterhouse

Mr. Waterhouse opened the meeting at about 9:05 a.m.

2. Discussion on ePermitting Enhancements

Reagan Walker led the discussion on enhancements to the SFWMD's e-permitting site. Ms. Walker described the many enhancements that were to become available in February 2012, and also some that are anticipated to be available later this year. She also encouraged participation in the ePermitting Training Sessions. See Attached handout provided by Ms. Walker which details the enhancements and training session dates.

3. Open Discussion

Mr. Waterhouse opened the meeting for attendees to discuss topics of their choosing. Discussion points and comments included:

- Nutrient Criteria (NNC)
 - Methodology for the NNC is not clear
 - DEP rule is currently being challenged by environmental groups

- Petitioners prefer the EPA rule, but portions of the EPA rule are being challenged as well
 - It is not clear how NNC will affect ERPs.
 - How will exfiltration trench design requirements be affected by the NNC?
 - Concerns about methodology for stormwater system designs.
-
- Statewide Stormwater Rule is currently on hold
 - Potential methodologies have been discussed in association with the statewide stormwater rule development and are available on DEP web site
 - Status of the L-8 reservoir pump design
 - Status of local Flood maps updates

4. Next meeting date/other topics/adjournment

Meeting was adjourned at 11:00am
Next meeting Friday, March 16, 2012
