Public Input during
St. Lucie River Watershed Protection Plan Meeting
August 28, 2020
1 pm
Via Zoom
Interactive Session Part 1
St. Lucie River Watershed Protection Plan Workshop
South Florida Water Management District
Have you participated in a Watershed Protection Plan Workshop before?

- Yes: 18
- No: 9
- Unsure: 1
Have you visited our website on the Northern Everglades Watershed Protection Plans, https://www.sfwmd.gov/wpps?

- Yes: 22
- No: 6
List one or two words that come to mind when you think of St. Lucie River Watershed projects?

Keywords:
- Nutrients
- Water quality
- Clean water
- Local collaboration
- Agriculture discharges
- Septic tanks
- Local basin runoff
- Many watersheds
- Water
- Flooding
- Expensive
- Freshwater
- Phosphorus
- Algae
- Estuary
- TMDL
- Complicated
- We need clean water
- Always on the horizon
- Never completed much need not enough
- Landowners' responsibilities
Interactive Session Part 2 - After the Q/A Session

Thank you...
Interactive Session Part 2
St. Lucie River Watershed Protection Plan Workshop
South Florida Water Management District
In your opinion, which of the following considerations should be given top priority when determining where assessments or more projects are needed?
## SLRW 5-year Average for WY2016-WY2020

Source: 2021 South Florida Environmental Report - DRAFT
Based on the data presented for the St. Lucie River Watershed, which Basins do you think need more data assessment or additional projects?

1st: Ten Mile Creek
2nd: C-24
3rd: Tidal Basin
4th: C-23
5th: C-44
Should the focus for St. Lucie Estuary Restoration be on projects that address Flow, Concentration, or Both?

- Flow: 0
- Concentrations: 1
- Both: 15
After seeing the presentation or based on your experience and knowledge, what types of projects or activities should the coordinating agencies pursue?
After seeing the presentation or based on your experience and knowledge, what types of projects or activities should local stakeholders pursue?
Do you agree with the selected Basins as a priority for future investigations?

- Agree: 9
- Disagree: 1
- Relying on subject matter experts: 4
What would you like to see or gain out of the next round of workshops?

- updated data
- potential WQ regulation
- more local participation
- local governments project
- more WQ data
- more public participation
- more strict BMPs for agg
- coordinating agencies
- agency coordination
- local expert input
Please provide feedback on the format of this meeting...

1. I prefer internet streaming over in-person meetings
   - Strongly disagree
   - Strongly agree: 3.1

2. The content was meaningful and easy to understand
   - Strongly disagree
   - Strongly agree: 4.1

3. Menti is an easy way to collect public input
   - Strongly disagree
   - Strongly agree: 4.7

4. Overall, the meeting was successful
   - Strongly disagree
   - Strongly agree: 4.3
