**ORDER TERMINATING EMERGENCY AUTHORIZATION FOR
ABROGATING TIME REQUIREMENTS MADE NECESSARY BY HURRICANE IAN**

The South Florida Water Management District ("SFWMD") enters this Order terminating Emergency Order No. 2022-050-DAO, which abrogated time requirements and deadlines for actions on permit applications and other approvals.

FINDINGS OF FACT

1. On September 23, 2022, the Governor of Florida issued Executive Orders 22-218, declaring that a state of emergency existed in 24 counties in the State of Florida, based upon the serious threat to the public health, safety and welfare posed by then-Tropical Storm Ian. On September 24, 2022, the Governor of Florida issued Executive Order 22-219, expanding the state of emergency to the entire State of Florida.

2. On September 24, 2022, the Executive Director issued Emergency Final Order No. 2022-050-DAO ("Order"). The Order was based upon a finding that a serious threat to the public health, safety, and welfare existed due to the potential impacts of Tropical Storm Ian. The Order will expire on November 22, 2022, unless terminated earlier.

3. The Executive Director has determined that Emergency Order No. 2022-050-DAO is no longer required because an immediate danger to the public health and safety or other substantial loss to the public due to Hurricane Ian no longer exists.

ULTIMATE FACTS AND CONCLUSIONS OF LAW

4. Section 373.119(2), Florida Statutes, authorizes the Executive Director to issue emergency authorizations whenever the Executive Director finds that an emergency exists requiring immediate action to protect the public health, safety, or welfare.

5. Based upon the findings above, the Executive Director concludes that since immediate danger to the public health and safety or other substantial loss to the public no longer exists, the Order abrogating the time requirements and deadlines for actions on permit applications due to the impacts and time constraints made necessary by Hurricane Ian should be terminated immediately.

ORDER

THEREFORE, IT IS ORDERED:

That Emergency Order No. 2022-050-DAO is terminated as of 12:00 p.m., Tuesday, November 8, 2022.

DONE AND ORDERED on this 8th day of November, 2022, in West Palm Beach, Florida.

SOUTH FLORIDA WATER
MANAGEMENT DISTRICT
