

# New Regulation Permitting Site: RegPermitting

## Sneak Peek #1

# New RegPermitting Webpage Coming

- When? Summer 2024
- Why? ePermitting will be retired soon
- Applying for a Permit will be on a new website.
- This will affect:
  - Environmental Resource Permits (ERP)
  - Consumptive Water Use Permits (WU)
  - Well Construction Permits (WC)
  - Additional Information Submittals
  - Compliance Information Submittals
  - Payments
  - Search Records feature
  - Works of the District Water Quality Data Submittals (formerly submitted through the EWOD program)
- Full functionality of the WOD program in RegPermitting remains under construction.

# Search by Application

## Search by Application

## Search by Permit

- Enter any portion (minimum of 3 characters) of the Application Number, Project Name, and/or a defined date range for a 'contains' search.
- Results can be sorted and/or filtered by any column.
- Click on the Application No. link to view application file documents.
- Map information can be viewed in the Location Information section of the application file, or by performing a separate search here: [QuickMaps](#)
- Permit Family Acronyms:
  - ERP = Environmental Resource Permit
  - WU = Water Use Permit
  - WC = Well Construction Permit
  - WOD = Works of the District Permit

**NOTE:** View both the application file and permit file to see all documents related to a permitting action. For a more advanced search, click here : [ePermitting](#)

Application No	<input type="text" value="240325-18553"/>	Received Date (from)	<input type="text"/>	Final Action Date (from)	<input type="text"/>
Project Name	<input type="text"/>	Received Date (to)	<input type="text"/>	Final Action Date (to)	<input type="text"/>
<input type="button" value="Search"/>		<input type="button" value="Clear"/>
