**To:** Reynolds, Jennifer <[jreynolds@sfwmd.gov](mailto:jreynolds@sfwmd.gov)>  
**Subject:** Southland Extension

Good afternoon Mrs. Reynolds,

We are aware of the August 27th deadline for technical review of the Southland project. Given the extenuating circumstances of the newly filed petition for hearing concerning the FDEP ERP permit we would like to respectfully request a review extension for a period of 6 months from today. If you have any questions, please contact me at any time.

Thank You.
