

STEPS TO CREATE A SOUTH FLORIDA WATER MANAGEMENT DISTRICT (SFWMD) COMMUNITY HUB ACCOUNT

1. Open the South Florida Flood Information Resource website: <https://sfresiliency-sfwmdgis.hub.arcgis.com/>
2. Click on the **Sign In** button on the top right of the page.

3. On the sign in dialog box, scroll down to the box that says, **No account?** and click on the link **Create a South Florida Water Management District Community Hub account**.

The screenshot shows the ArcGIS login dialog box. At the top, it says 'sfresiliency wants to access your ArcGIS Online account information'. Below this is the title 'Sign in to South Florida Water Management District Community Hub' with the Esri logo. The login section has fields for 'Username' and 'Password', a 'Keep me signed in' checkbox, and 'Sign In' and 'Cancel' buttons. Below the login section is a blue box for 'SFWMD South Florida Water Management District'. At the bottom, there is a 'No account?' link followed by 'Create a South Florida Water Management District Community Hub account'. A green arrow points to the 'No account?' link. At the very bottom, there is a link for 'Not a member of this organization? Sign in to your account on ArcGIS Online' and a 'Privacy' link.

4. Fill in the required fields with your name and email address.

5. After reading and accepting the SFWMD Community Hub Terms of Use, ESRI Master Agreement, and Esri ArcGIS Online Privacy Policy, check the boxes and click **Next**.
6. An activation link will be sent to your email. Click the link in the email to complete account activation.
7. Create username, password, and security question then click **Create account**.

Set up your South Florida Water Management District Community Hub account
