

# South Florida Water Management District 10 Year Compliance Report Form Livestock / Aquaculture

Online reporting is available at [www.sfwmd.gov/ePermitting](http://www.sfwmd.gov/ePermitting)

Pursuant to Section 373.236(4), F.S., where necessary to maintain reasonable assurance that the conditions for issuance of a 20-year permit can continue to be met, a compliance report by the permittee may be required to be submitted for review and approval by District Staff. If your water use permit has a permit/limiting condition requiring a compliance report every 10 years, this form may be used to fulfill that requirement.

This form and attachments reflect information currently in our database. If there are blanks or no attachments for a category, that information will need to be provided by the Permittee. If the information provided by SFWMD is accurate, please indicate that by checking the "No Change since Permit Issuance" box. If there have been changes, please check the "Changes Include" box and provide a description of the changed information. Please complete each section entirely and if additional space is required, extra sheets/documents may be attached to the form.
