

DATE: August 12, 2016

TO: Interested Parties

SUBJECT: Caloosahatchee Science Symposium – September 14-15th, 2016

The South Florida Water Management District invites you to a 2-day public science symposium to present and receive technical comments on recently completed studies assessing the responses of a suite of ecological indicators in the Caloosahatchee River Estuary to low freshwater inflows in the dry season. This science symposium will not address the Minimum Flow and Level rule criteria or other technical details associated with the MFL re-evaluation process.

DATE AND TIME: Wednesday, September 14, 2016 at 10:00 AM, and
Thursday, September 15, 2016 at 9:00 AM

PLACE: South Florida Water Management District, Lower West Coast Service Center,
1st Floor Conference Room, 2301 McGregor Boulevard, Fort Myers, FL 33901

The symposium agenda and a draft summary of the comprehensive science assessment are available at the following link: <http://www.sfwmd.gov/MFL>. If you have questions regarding the symposium, please contact Toni Edwards at the South Florida Water Management District, P.O. Box 24680, West Palm Beach, FL 33416-4680; or by telephone at (800) 432-2045, ext. 6387, or (561) 682-6387, or by email at tedwards@sfwmd.gov.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this symposium is asked to advise the agency at least 5 days before the event by contacting the South Florida Water Management District Clerk at (800) 432-2045, ext. 2087 or (561) 682-2087. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service at (800) 955-8771 (TDD) or (800) 955-8770 (Voice).
