

## DuPuis Management Area Equestrian Campsite and Trails

Gate 3, is the equestrian entrance for horseback riding and camping. At Gate 3, equestrian users will find three barns and primitive camping facilities, which include restrooms and showers, stalls and paddocks. Horseback riders can enjoy the 40 miles of equestrian trails that go deep into "old Florida" woods. Riders have the choice of four loops ranging from 7.2 to 17.5 miles.

Equestrians must carry proof of a negative Coggins test. A Special Use License is required for camping and can be obtained online at [www.sfwmd.gov/sul](http://www.sfwmd.gov/sul). Camping is on a first-come, first-served basis. There is no fee for camping.
