I have done so, and saved the document as "v6" (today's date - version 6), and it is attached in WORD. Ben's comments are de minimus at best, and they aren't worth any aggravation, but I have addressed them nonetheless by way of the attached WORD file (v6).

> That said, I did speak with Ben after his e-mail, and he told me that if his latest comments are giving rise to any hardship that they can be ignored.
