

Employees Make a Difference!

Race for the Cure: District employees annually participate in the Susan B. Komen Race for the Cure. The Komen Foundation has formally recognized the SFWMD for having the largest governmental team entry for six consecutive years. Since 2003, SFWMD employees have raised more than \$100,000 to benefit the Susan G. Komen Breast Cancer Foundation.

Chili Cook-off: The Annual Chili Cook-off is just one of the charitable fundraising activities coordinated and supported by employees of the SFWMD. The Employee Committee holds their yearly "Chili Cook-off" where employees submit their best homemade chili for a contest that attracts more than 200 attendees whose admission revenues go directly to the fundraising effort voted upon by the employees.
