

**Please Join Us
For a Free Workshop
on Managing and
Conserving Water
in Your Community**

Friday, August 13, 2010

10:30 a.m. - 1:00 p.m.

**City of Port St. Lucie Community Center
2195 S.E. Airoso Blvd, Port St. Lucie**

“Know the Flow”

Discover how your local drainage system works and receive maintenance tips so your neighborhood will be prepared for the rainy season.

**Presented by: Glen Gareau,
Sr. Professional Engineer, Regulatory,
South Florida Water Management District**

“Harvest the Rain”

Rain barrels keep stormwater runoff from driveways and streets, providing an inexpensive and eco-friendly option for watering your plants and lawn. Reserve your rain barrel at the workshop for a cost of \$35.00.

**Presented by: Fred Burkey,
Martin County IFAS/ Florida Yards
& Neighborhoods**

Presented by the South Florida Water Management District, City of Port St. Lucie Public Works Department and Martin County UF/IFAS Florida Yards & Neighborhoods.
