

MEMORANDUM

TO: Governing Board Members

FROM: Dorothy Bradshaw, Director, Administrative Services Division

DATE: June 14, 2018

SUBJECT: Monthly Financial Statement – April 30, 2018

This report provides an overview of the District's unaudited financial activity for Fiscal Year 2017-2018, including revenue collections, expenditures and encumbrances made against the \$1.1 billion current budget, including a preliminary encumbrance carryforward from Fiscal Year 2016-2017 of \$297.5 million. The carryforward is predominantly planning, design and construction of large restoration projects. Encumbrances represent orders for goods and services which have not yet been received. Attached is a summary in the State Program format in compliance with Section 373.536(4)(e), Florida Statutes, which states that each District shall provide a monthly financial statement in the form and manner prescribed by the Department of Financial Services to the District's Governing Board and make such monthly financial statement available for public access on its website.

Summary of Revenue Sources- New operating revenue (excluding prior year reserves) totals \$391.1 million. Including reserves, the total Fiscal Year 2017-2018 revenue sources collected were 60.5% of budget or \$669.5 million.

- Tax revenues in the amount of \$276.5 million or 97% were collected through the Tax Collectors within the District's 16 counties. Compared to the five-year average of 95.7%, as of the end of April, ad valorem collections are ahead by 1.3%. The total amount of the District levied was \$288.4 million and was discounted to \$274 million for budgeting purposes.
- Intergovernmental revenues of \$76.7 million were recognized as of the end of April. Intergovernmental revenues are comprised of local, state and federal sources with the majority being allocated by the Florida Legislature. Specific funding sources include Save Our Everglades Trust Fund, Land Acquisition Trust Fund, Florida Fish and Wildlife Conservation Commission, Natural Resources Conservation Service and U.S. Army Corps of Engineers federal cost share of transferred projects. The majority of these revenues are received through reimbursement requests submitted quarterly based on actual expenses incurred.
- Investment Earnings of \$5.7 million were recognized as of the end of April. Last year, at this time, \$4.1 million was recognized.
- Mitigation and permit application fees of \$6.8 million have been received, including \$2.6 million from Lake Belt mitigation fees, \$2 million from Loxahatchee mitigation, \$1.7 million from environmental resource permits and \$347K from water use permits.
- Other budgeted revenue includes leases, sale of district property and revenue supporting District self-insured programs:

- \$2.1 million in rock mining royalties have been collected and \$2.7 million in lease revenues, for a total of \$4.8 million. The timing of revenues received is based on the fee schedules within the agreements.
- \$670K has been collected from cash discounts refunded from prior year expenditures, civil penalties, enforcement fees, and sale of recycled oil and scrap metal.
- \$3.7 million from the sale of District personal and real property has been received. This amount includes \$175,001 for 0.79 acre of the C-10 Project in Broward County, \$167,005 for 20.03 acres in Okeechobee County and \$2,975,460 as the first of three installments for 581.24 acres in Palm Beach County.
- \$16.2 million in revenues recognized through the end of April for the District's self-insured programs. This includes District funding as well as premiums paid by employees, retirees, and COBRA participants.

Summary of Expenditure and Encumbrance – the District has spent **\$287.1 million** and has encumbered **\$335 million** of its budget. The District has obligated (encumbrances plus expenditures) **\$622.1 million** of its budget.

- **Water Resources Planning and Monitoring Program** includes water supply and other water resources planning, development of minimum flows and levels and technical assistance (including local and regional plan and program review). District regional water supply plans for each planning area address the unique resources and needs of specific regions – Lower West Coast, Upper and Lower East Coast, Upper and Lower Kissimmee Basin. District work includes research, data collection, modeling, environmental monitoring and assessment activities that support various regulatory-driven mandates/agreements and comply with federal and state-issued permits for all restoration projects. Of the \$59.9 million budgeted for this program, the District has obligated \$38.2 million: \$26.7 million expended and \$11.5 million encumbered.
- **Acquisition, Restoration and Public Works Program** includes the acquisition, planning, design, engineering and construction of all restoration projects unique to the District including: Kissimmee River Restoration Project, Northern Everglades and Estuaries Protection Program (NEEPP), Everglades Forever Act (EFA), Critical Restoration, Comprehensive Everglades Restoration Plan (CERP) and the Governor's Restoration Strategies (RS). This category also includes water resource development and water supply assistance projects, water control projects and cooperative projects. Of the \$668.7 million budgeted for this program, the District has obligated \$365.2 million: \$108.4 million expended and \$256.8 million encumbered.
- **Operation and Maintenance of Lands and Works Program** includes all operation and maintenance of facilities, flood control and water supply structures, lands, and other works authorized by Chapter 373, F.S. District specific operation and maintenance of a multi-purpose water management system comprised of over 4,098 miles of canals and levees, 692 water control structures and weirs, 71 pumping stations and 618 smaller project culverts, of the Central and Southern Florida (C&SF) Project, Big Cypress Basin system, Storm Water Treatment Areas (STA's), CERP and RS completed projects. Of the \$317 million budgeted for this program, the District has obligated \$181.1 million: \$117.4 million expended and \$63.7 million encumbered.

- **Regulation Program** includes permitting for: water use, environmental resource, surface water management, water well construction and contractor licensing; permit administration, enforcement and any delegated regulatory program. Other regulatory enforcement activities include the Southern and Northern Everglades Nutrient Source Control Program, and the Everglades Long-Term Plan, which mandates the implementation of Best Management Practices (BMP) programs in the Everglades Construction Project (ECP) and non-ECP Basins for the Southern Everglades. Of the \$21.9 million budgeted for this program, the District has obligated \$11.8 million: \$11.4 million expended and \$0.4 million encumbered.
- **Outreach Program** - of the \$1.1 million budgeted for this program, the District has obligated \$625K: \$620K expended and \$5K encumbered.
- **District Management and Administration** includes all Governing and Basin Board support, management, information technology, general counsel, procurement, human resources, budget, finance, audit, risk management, and administrative support services. Of the \$37.6 million budgeted for this program, the District has obligated \$25.1 million: \$22.6 million expended and \$2.5 million encumbered.

We hope this report will aid in understanding the District's financial condition as well as expenditure performance against the approved budget. If you have any questions, please feel free to contact me at (561) 682-2823 or Candida Heater at (561) 682-6486.
