Name
Company Name (if applicable)
Address
City, State, ZIP Code
Telephone No.

Rule 40E-6.351 Transfer of Permits.

- 1) As the District has no control over the sale or transfer of real or personal property, it is the sole obligation of a permittee to disclose the existence of a Right of Way Occupancy Permit, its terms and conditions to prospective purchasers.
- 2) Right of Way Occupancy Permit shall be transferred when:
 - a) The request is otherwise consistent with the provisions of these rules and Chapter 373, F.S.
 - b) The applicant demonstrates that the permitted use still qualifies for a permit under Rules 40E-6.121 or 40E-6.221, F.A.C.
 - c) The applicant agrees to abide by the provisions of chapter 373, F.S., this chapter and the terms and conditions of the permit; including these rules, including the standard limiting conditions, and criteria which are applicable at the time of the request for transfer.
 - d) The adjoining land use has not changed.
 - e) The request for transfer is accompanied with the correct fee.
 - f) The applicant authorizes the District to record a Notice of Permit in the official records of the county clerk's office where the project is located.
 - g) In cases where unauthorized facilities or uses have been added that are not included in the permit authorization, a permit transfer request must also be accompanied by a request for modification pursuant to Rule 40E-6.331, F.A.C.
- 3) All transfers require a field inspection and shall not become effective until such inspection is conducted and confirms all existing facilities are permitted and all uses comply with the criteria in Rule 40E-6.091, F.A.C., and the conditions of issuance in Rules 40E-6.121 or 40E-6.221, F.A.C. If additional facilities are present, no transfer will be allowed unless the unauthorized facility or use is removed immediately and the right of way restored. Applicants must submit a new Permit Application, along with the appropriate application processing fee, for all additional facilities not removed and not currently authorized by a Right of Way Occupancy Permit.
- 4) The District staff shall not issue transfers until all financial assurance and insurance requirements, if any, have been provided and accepted by the District staff.

Attached is a copy of the instrument transferring ownership of the property.
