

Appendix to Testimony  
Before the Judiciary Committee,  
United States House of Representatives

H. R. 2811 to amend title 18, United States Code, to include constrictor snakes of  
the species Python genera as an injurious animal

November 5, 2009

George Horne  
Deputy Executive Director  
South Florida Water Management District

**A hypothetical diet necessary for a hatchling Burmese python to reach  
13 feet in the Florida Everglades (approximately 5 to 7 years)**
