

The **C-44 Reservoir** will provide 50,600 acre-feet of new water storage for the **St. Lucie Estuary** and **Indian River Lagoon**. That's enough water to fill **Spaceship Earth** at Walt Disney World's Epcot more than 1,000 times.

Spaceship Earth stats

Volume: 2.2 million cubic feet

Height (above ground level): 180 feet

Diameter: 165 feet

Weight: 7,760 tons
