

Region 3 - EXHIBIT A-1

Kanner Highway (~19.48 acres)

This parcel was acquired as a potential dredge spoil site for the U.S. Army Corps of Engineers. The District holds the title to this property and the Army Corps has no longer needs it for dredge spoil storage. This isolated parcel lies across Kanner Highway from the river floodplain. The continued ownership of this parcel does not support any District mission objective.

The further evaluation of these tracts will consider the exchange or surplus of the District's fee-simple interest in the site.
