Need LKB Water Supply Plan Information?

The screenshot shows the South Florida Water Management District website. The main navigation bar includes: Home, About Us, Managing & Protecting Water, Protecting & Restoring Ecosystems, News, and Library & Multimedia. A secondary navigation bar lists: Residents & Visitors, Businesses, Scientists & Engineers, and Educators & Students. The breadcrumb trail reads: Home >> Managing and Protecting Water >> Planning and Building >> Water Supply Planning >> LOWER KISSIMMEE BASIN PLAN.

The page title is "Lower Kissimmee Basin Water Supply Plan". It features a large image of a tree and water, and a map of the basin. The main content area includes:

- RELATED LINKS:**
 - About Water Supply Planning
 - Lower Kissimmee Water Supply Plan Documents
 - Alternative Water Supply
 - Water Supply Facilities Work Plan Support
 - Intergovernmental Programs: Linking Land and Water
 - Where does our drinking water come from? [PDF]
 - Water Conservation
 - Water Resources Advisory Commission (WRAC)
 - Past Kissimmee Basin Water Supply Plans
