Subject: Keep the River of Grass Alive - Extend the River of Grass land purchase contract

Dear Dear Chairman Buermann:

I urge you to vote to extend the purchase contract deadline for the River of Grass land acquisition in March. The Governing Board, Governor Crist, and countless other stakeholders have dedicated years of focused work to crafting a workable plan and finding funding sources for it.

Florida taxpayers have committed billions of dollars to Everglades restoration projects. The purchase of the U.S. Sugar Corp. land is the most cost-effective way to help move forward with restoration plans.

We need the Governing Board to extend the deadline to accommodate the Florida Supreme Court timeline to work through existing and new questions that will arise when dealing with an issue as complicated and significant as the River of Grass land acquisition.

I commend this Governing Board for its commitment to Everglades restoration and ask that you see this process through and vote to extend the River of Grass land purchase contract.

Please let me know what the Board decides on this issue.

Sincerely,

science teacher Jay Calkins

Dear Dear Chairman Buermann:

The SFWMD and Corps of Engineers have collaborated on a 50+ year shameful vendetta to destroy nearly every natural area in mid and South Florida.

Please do one thing right-- vote to extend the purchase contract deadline for the River of Grass land acquisition in March. The Governing Board, Governor Crist, and countless other stakeholders have dedicated years of focused work to crafting a workable plan and finding funding sources for it.

Florida taxpayers have committed billions of dollars to Everglades restoration projects. The purchase of the U.S. Sugar Corp. land is the most cost-effective way to help move forward with restoration plans.

We need the Governing Board to extend the deadline to accommodate the Florida Supreme Court timeline to work through existing and new questions that will arise when dealing with an issue as complicated and significant as the River of Grass land acquisition.

I commend this Governing Board for its commitment to Everglades restoration and ask that you see this process through and vote to extend the River of Grass land purchase contract.

Please let me know what the Board decides on this issue.

Sincerely,

Aaron Rubin

Dear Dear Chairman Buermann:

I urge you to vote to extend the purchase contract deadline for the River of Grass land acquisition in March. The Governing Board, Governor Crist, and countless other stakeholders have dedicated years of focused work to crafting a workable plan and finding funding sources for it.

Florida taxpayers have committed billions of dollars to Everglades restoration projects. The purchase of the U.S. Sugar Corp. land is the most cost-effective way to help move forward with restoration plans.

We need the Governing Board to extend the deadline to accommodate the Florida Supreme Court timeline to work through existing and new questions that will arise when dealing with an issue as complicated and significant as the River of Grass land acquisition.

I commend this Governing Board for its commitment to Everglades restoration and ask that you see this process through and vote to extend the River of Grass land purchase contract.

Please let me know what the Board decides on this issue.

Sincerely,

Dr. Halina Kay
8755 Grey Oaks Ave
Sarasota, FL 34238

Subject: Keep the River of Grass Alive - Extend the River of Grass land purchase contract

Dear Dear Chairman Buermann:

I urge you to vote to extend the purchase contract deadline for the River of Grass land acquisition in March. The Governing Board, Governor Crist, and countless other stakeholders have dedicated years of focused work to crafting a workable plan and finding funding sources for it.

Florida taxpayers have committed billions of dollars to Everglades restoration projects. The purchase of the U.S. Sugar Corp. land is the most cost-effective way to help move forward with restoration plans.

We need the Governing Board to extend the deadline to accommodate the Florida Supreme Court timeline to work through existing and new questions that will arise when dealing with an issue as complicated and significant as the River of Grass land acquisition.

I commend this Governing Board for its commitment to Everglades restoration and ask that you see this process through and vote to extend the River of Grass land purchase contract.

Please let me know what the Board decides on this issue.

Sincerely,

Lyda Barrera

Subject: Please extend the River of Grass land purchase contract

Dear Ms. Estenoz:

I urge you to vote to extend the purchase contract deadline for the River of Grass land acquisition in March. The Governing Board, Governor Crist, and countless other stakeholders have dedicated years of work to crafting a workable plan and finding funding sources for it.

Florida taxpayers have committed billions of dollars to Everglades restoration projects. The purchase of the U.S. Sugar Corp. land is the most cost-effective way to help move forward with restoration plans.

Governing Board needs to extend the deadline to accommodate the Florida Supreme Court timeline to work through existing and new questions that will arise when dealing with an issue as complicated and significant as the River of Grass land acquisition.

I thank the Governing Board for its commitment to Everglades restoration and ask that you see this process through and vote to extend the River of Grass land purchase contract.

Please let me know what the Board decides on this issue.

Sincerely,

Mr. Mike Deloye
