Donna:

Should I respond to Ryan to tell him I have forwarded this to you -- or is that something you would prefer to do? (I have attached his electronic business card from my contacts list.)

Please let me know.

By the way, I really enjoyed your segment of the Public Records seminar last week -- nice job!

Hey susan, hope all is well.

I wanted to make a public records request and I thought I'd go through you first, even though I think I'm eventually going to have to send this to the west palm office.

Anyhow, I'm hoping to get all written correspondence -- e-mails, memos, anything -- with U.S. Sugar or Robert Buker in them from the last year.

Please let me know the best way to go about this. Thanks.

Ryan
