Keith - As we discussed, here is the public records request we sent to Frank on Friday, the 21st. It is our understanding that the District signed a confidentiality agreement with the Lawrence Group regarding the USSC acquisition. If possible, we were hoping to obtain a copy this agreement and related materials as soon as possible.

Please feel free to call me or Curtis Alva if you need additional information. Thanks for your help.

Have a great holiday.

Frank -

As we discussed, please provide us with copies of any agreements, correspondence, emails or any other public records between the Lawrence Group and the South Florida Water Management District regarding the acquisition of U.S. Sugar's lands.

Thank you and please let me know if you need any additional information.
