Re: Public Records Request, Chapter 119, Florida Statutes

Dear Ms. Kramer:

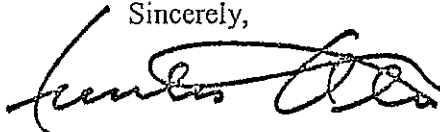

This is an update of my request of December 9, 2008. This letter will serve as a Chapter 119, Florida Statutes, Public Records Request to the South Florida Water Management District ("SFWMD"). This request is for all documents in the custody of the SFWMD, as defined in Section 119.011(12) Florida Statutes, relating to Gaylon Lawrence Sr., Gaylon Lawrence Jr., The Lawrence Group (the "Lawrences"), or any representatives or affiliates of the Lawrences, including documents provided to SFWMD by the Lawrences or their representatives. This request includes all documents of any kind whatsoever. There is no need to send me any documents that you have already sent responsive to my previous request.

If the SFWMD deems any of these public records to be exempt, please state in writing, and with particularity, the reasons and the basis for the exemption, including the statutory citation to the exemption, as required by Section 119.07(1)(f), Florida Statutes. Once these documents have been identified, please contact me at the above number, to arrange for the inspection and copying of these documents. If you have any questions regarding this Public Records Request, please do not hesitate to contact me at the above address.
