Please note, we are not asking for any documents that have already been produced to us. Likewise, we are not asking for any documents which relate to the original purchase of the USSC lands. Instead, the documents requested are those that relate to the Amended Purchase.

We are prepared to reimburse the District for all duplicating costs incurred as a result of this time-sensitive and reasonable Public Records Request. Please note time is of the essence and request that said documents be ready for inspection by Wednesday, May 28th, 2009. Thank you in advance for your prompt attention to this matter. Should you have any questions, please do not hesitate to contact me.

Very truly yours,
