## PROJECT TEAM

## ECOSYSTEM INVESTMENT PARTNERS (EIP)

Ecosystem Investment Partners (EIP) is a leading provider of high-quality ecological restoration and conservation projects, including traditional mitigation approaches and custom options to help people and the environment thrive. Our work includes revitalizing wetlands, streams and regionally significant habitats across the U.S.

## SOUTH FLORIDA WATER MANAGEMENT DISTRICT (SFWMD)

The South Florida Water Management District (SFWMD) is one of five government-designated water management districts tasked with overseeing the regulation and protection of the state's water quality, flood prevention structures and natural water systems.

Following design, permitting, construction and five to seven years of operations by EIP, SFWMD will own and operate the project.
