## Record Search

### Search by Enforcement (Basic & Advanced)

Searching the permit database allows for the review of **enforcement** records, based on a variety of chosen criteria.

To begin the search process, type <http://www.sfwmd.gov/RegPermitting> in the address bar, which will bring you directly to the RegPermitting Home page.

A RegPermitting account is not required to search for records.

For additional information or if you have any questions, please contact us at [regpermitting@sfwmd.gov](mailto:regpermitting@sfwmd.gov) .

### Search by Enforcement (BASIC)

1. Select the **Search Records** tab to search enforcement records.
2. Click on the **Search by Enforcement** tab.
3. Enter the **Enforcement Case ID** or **Project Name**.
4. Click on **Search**.

**Note:** Enter a full or partial (3 character minimum) **Enforcement Case ID** or **Project Name**.

5. Click on any **Enforcement Case ID** link to view that application's file documents.

6. The hyperlink will open the record as an overview.

The overview contains a list of sections that the user may view. Click on the Header to expand or close the section.

11. Click the **Close** button to return to the search results. Do **NOT** click the browser's **Back** button.
12. To start a new search, select **Search Record** from the main menu.

## ADVANCED SEARCH TIPS:

- Search by a specific application number, if known.
- Narrow the search by a date range.
- Avoid using broad search fields, such as **County**, with no other limiting criteria.
- When performing multiple searches, click the **Clear** button prior to entering the next search criteria.

## ADVANCED SEARCH NOTES:

- The number of records visible on the screen is limited to **500**.
- Narrow the search criteria to return fewer results.
- Broad searches may take several minutes to download.
- Refresh the browser if search fields are not available or results are not returned.
