## Record Search: Search by Other

Searching the permit database allows for the review of miscellaneous records, not associated with a specific application number, permit number or enforcement case. These categories include:

- **Receipt of Applications**
- **Intended Agency Action**
- **Tribal Work Plans**
- **Unpermitted Water Use Notices**
- **Well Completion Reports**

To begin the search process, type <http://www.sfwmd.gov/RegPermitting> in the address bar, which will bring you directly to the RegPermitting Home page.

A RegPermitting account is not required to search for records.

For additional information or if you have any questions, please contact us at [regpermitting@sfwmd.gov](mailto:regpermitting@sfwmd.gov) .
