## My Subscription to Electronic Notices

The My Subscription feature enables registered users to receive timely electronic notifications related to specific permits, applications, or enforcement cases managed by the South Florida Water Management District (SFWMD). This service helps users stay informed by providing access to key updates. Available **Subscription Types** include:

### Receipt of Application / Intended Agency Action

Receive weekly email notifications when these reports post.

### Application / Permit / Enforcement Case Updates

Receive daily email notifications for a specific case when documents post on the previous business day.

### Tribal Work Plans

Receive daily email notifications when documents related to any tribal work plan post on the previous business day.

### Geospatial Notifications

Receive notifications when applications are received within a specified geographic area of interest. This subscription type is managed through the GovDelivery website.

For additional information or if you have any questions, please contact us at [regpermitting@sfwmd.gov](mailto:regpermitting@sfwmd.gov).
