

## AGENDA

**South Florida Water Management District  
Science Workshop  
*River of Grass* Project Planning Phase II**

**November 17-18, 9:00 a.m. - 5:00 p.m.**

South Florida Water Management District Auditorium  
3301 Gun Club Road, West Palm Beach, FL 33406

The South Florida Water Management District and Florida Department of Environmental Protection announce a science workshop to aid in defining key characteristics of Everglades hydrology and the means by which these characteristics should be measured during the *River of Grass* Phase II project planning process. This highly technical workshop will review the latest science associated with hydrologic stage and flow targets and present model results and ecological data that support restoration of the greater Everglades ecosystem.

### DAY ONE

<b>Welcome and Introductions</b>	Dick Pettigrew
<b>Brief Overview</b>	Ken Ammon
<b>Presentations and Discussion</b>	
Bob Johnson/Robert Fennema - Everglades National Park	
Winnie Said, SFWMD	
Walter Wilcox/Chris McVoy, SFWMD	
<b>Wrap-Up and Adjourn</b>	Dick Pettigrew

### DAY TWO

<b>Continued Discussion</b>	
<b>Summary and Wrap-Up by SFWMD and FDEP</b>	Tommy Strowd/Greg Knecht
<b>Adjourn</b>	Dick Pettigrew

***Lunch break times to be announced.***

***Public comment is welcome throughout the workshop  
and following each presentation.***
