

Tia Barnett

Governing Board and Executive Services

Tia Barnett took over responsibility for Governing Board and Executive Services in February 2016. Since joining the District in 2000, Barnett has spent many years supporting the agency's legislative agenda and community outreach.

In her most recent role, Barnett was the Water Resources Advisory Commission (WRAC) Coordinator, working closely with Governing Board and WRAC members, advocacy groups and interested citizens. Earlier in her career, she worked in the Engineering and Construction Bureau and supported several senior managers. She also has private sector experience as a manager in the hospitality industry.

Barnett earned a Bachelor of Applied Science degree from Palm Beach State College.

Barnett is responsible for coordinating the District's Governing Board meetings and other scheduled events with Governing Board members. She also serves as the agency's Ombudsman and supervises the District Clerk, Public Records, Records Management, Reference Library, mailroom and related functions.
